OTHER RIVERFRONT TRAILS

Riverside Park is home to more than 4.5 miles of unpaved, wooded trails starting at the Riverfront Boathouse and extending north almost to the Town of Windsor. There are two distinct trails for park visitors to enjoy, either on foot or mountain bike. The larger, main trail starts in the flood plain forest and follows the city's earthen flood dike to Tower Brook gully. A secondary trail meanders along the river's bank from the gully to the Riverfront Boathouse. Both trails are available to the general public seven days a week from dawn to dusk.
