

2023 ANNUAL REPORT

RIVERFRONT RECAPTURE

We connect people with the Connecticut River.

Riverfront Recapture is a nonprofit organization founded in 1981. We manage, maintain, and operate four riverfront parks and their connected riverwalks and trails. Our mission is to connect people with the Connecticut River. Here's a snapshot of how we connected people in 2023.

In 2023, we encountered both significant milestones and formidable challenges, and your unwavering support proved instrumental in our achievements and triumphs. Thanks to you, we welcomed an impressive 803,866 visitors to our parks, from the region and beyond.

Your gifts allowed us to host an exciting slate of free public events and programs and provide free rowing programs to Hartford and East Hartford youth. Your contributions helped us to overcome serious challenges posed by a tumultuous year of weather, allowing us to maintain and operate clean, safe, and welcoming parks. Thank you so much for making all of this possible. We are so grateful to each of you for your invaluable role in making our parks accessible havens for visitors from the region and beyond.

This organization was founded in 1981 to develop a comprehensive plan to reunite Hartford with its riverfront. In 2024, our 44th year, that work continues with even more profound meaning and significance. Over 20 projects are underway in our parks, from accessible fishing piers in Great River Park to expanded docks in Riverside Park.

While each of these projects is essential to our mission to connect people with the Connecticut River, our biggest project will transform over 60 acres of previously inaccessible riverfront land into a park for the community connected to Riverside Park by the Joe Marfuggi Riverwalk. The photo on pages four and five show the land as it is, which will be transformed into a park for you, for the neighborhood, for teenagers, for families, for everyone. A master plan for the future park is in the works, guided by your input and feedback, which we genuinely appreciate and value. We can't wait to share it with you and hope you'll share your thoughts with us if you haven't already.

Once again, we extend our heartfelt thanks for your steadfast commitment to our work. None of this would be possible without your generosity, the investment of our sponsors, and the work of our staff, board, and volunteers. We invite you to join us by the river and see what your involvement means to us. Your support has created a community in our parks, and connected so many people with the Connecticut River.

Thank you!

Harold M. Blinderman
Board Chair

Michael Zaleski
President & CEO

**Corporate, Foundation, and
Government Support**

Corporate, foundation, and government funding is essential to Riverfront Recapture. Their investment in our day-to-day operations to ensure our parks are open and accessible year-round, as well as arts and culture, youth enrichment, health and fitness is much appreciated. Government support in particular also provides valuable resources for park development as we strive to improve and expand our parks.

A photograph of a man and a woman sitting on a stone ledge under a large tree with yellowing leaves. They are looking out over a river. The scene is set in autumn, with fallen leaves on the ground and trees in the background showing vibrant yellow and orange foliage. The man is wearing a maroon t-shirt and glasses, and the woman is wearing a white patterned top. The overall atmosphere is peaceful and scenic.

Individual Donors

Your donation is essential to our work to connect people with the Connecticut River. We appreciate your advocacy that ensures local and regional access to blue and green space. Your contribution helped to provide quality parks, events, and river experiences for the 803,866 people who visited our parks in 2023.

Founders' Society

Our Founders' Society members – 199 in 2023 – show their faith in Riverfront, through their 10 or more years of consecutive donations. Their dedicated annual donations demonstrate their commitment to ensuring access to the Connecticut River through Riverfront's parks. We thank all of these donors, who are identified in bold in this Annual Report, for your dedication to the community, and for encouraging others to follow your example.

We welcome and thank the following who became new Founders' Society members in 2023:

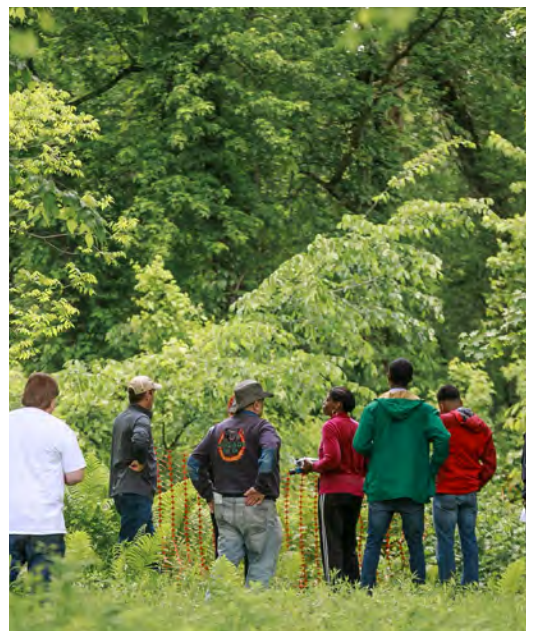

Johanna & Timothy Dunlavey
Susan & Joel Freedman
Lewis Ben Lau
The Montross Family
Bill & Mary Talbot

Mainstay

Mainstay donors engage in convenient monthly giving as a means to increase their impact with larger contributions than a one-time annual gift. Their contributions add up throughout the year, helping Riverfront in its role as a guardian of the river and parks. This enthusiastic group of people stays involved, further bolstering their commitment.

Legacy Society

Ensuring the present and future value of Riverfront's parks and access to the Connecticut River inspires people to include Riverfront in their estate plans. Your consideration of the future now provides essential funding that sustains opportunities for people to explore, learn, and enjoy the river and the parks for years ahead.

We thank the following individuals who have left or intend to leave a legacy to Riverfront to continue our mission into the future, as together we connect people to the Connecticut River:

Deborah Baker
David Barrett
Mr.[†] and Mrs. Maurice Belanger
Harold Blinderman & Wanda Schulman
G. Peter Bloom
Chris & Kim Byrd
Kathleen Cassidy
Susan & Brian Clemow
Alison Coolbrith[†] & Barry Lastra

The MDC

The Metropolitan District Commission is an essential partner to Riverfront Recapture. We are truly grateful to them for all that they provide, which goes far beyond their ongoing, generous financial support. Their work, particularly the Clean Water Project, is pivotal to our work to connect people with the Connecticut River, and provide clean, safe parks to all visitors.

The Clean Water Project reduces pollution in the Connecticut River, which is integral to environmental restoration. It tackles issues such as sewage overflow and contamination, revitalizes the natural environment, and enhances the usability and appeal of our parks for recreational activities like boating, fishing, and rowing. Improvements in water quality directly benefit both residents and visitors who frequent our parks.

Additionally, the Clean Water Project brings significant economic and community health benefits. Cleaner and well-maintained parks are likely to attract more visitors, which we can attest to, and they can also boost local businesses and increase tourism, contributing to economic growth. Additionally, the reduction in waterborne pollutants decreases health risks associated with contaminated water sources, fostering a healthier community environment.

The Clean Water Project also supports wildlife and biodiversity, maintaining the ecological health and natural beauty of our riverfront parks, thereby enhancing the overall quality of life in the city. All of this aligns with the work we do to maintain, manage, and operate four - soon to be five - riverfront parks, and we are so grateful to the MDC for their work and continued partnership.

Riverfront Recapture Endow Hartford 21 Fund at the Hartford Foundation for Public Giving

We are thankful for the donors who participated in the Endow Hartford 21 Fund challenge from 2021-2023, with gifts of \$250 or more matched by the Zachs Family Foundation and are taking the opportunity to recognize them. Overall contributions to the fund, including matching donations, total \$59,311.25 with some donors contributing more than once.

Margie MacDonnell
Nick Mathis
Bernice Van Overstraeten Miller
Paul Pearson
Helen & Robert Roth

Marfuggi Parks Fund

This special fund, created in 2011 to recognize then President & CEO Joe Marfuggi, provides a source of long-term support that can be used to make essential repairs and improvements in Riverfront parks. We are thankful for the donors who contribute to this fund annually or occasionally. As we work toward enhancing and expanding access to and within our parks, community members signed a petition, approved by Hartford's City Council in 2021, to name the planned 2.5-mile riverwalk the Joe Marfuggi Riverwalk. A fundraising campaign is underway to support amenities along the coming riverwalk with those donations placed in the Marfuggi Parks Fund until expended for the intended purpose and is very close to its \$1,150,000 goal. The fund continues to grow through contributions and earnings, with periodic special expenditures approved by our Board of Directors.

We especially thank the following contributors for their support in 2023, with most earmarked for the Joe Marfuggi Riverwalk. Plans and permits have been submitted, and we are completing additional required studies for plant and wildlife diversity.
